## our story

Welcome to The Tilted Tiki Tidbits & Cocktail Lounge. We are your hosts, Chris & Patti Goetzke and family.

Our passion for everything tropical started with our trips to Florida many years ago. We loved the beach and Palm trees and going to the funky quaint little tropical bars like Harpoon Harry's, Pineapple Willy's, and Sharky's, to name a few. Our love of Polynesian culture came later with our trips to Hawaii. We became captivated by the islands, the culture and the fun little shops selling surf and Tiki goods. Polynesian restaurants and bars seized our hearts and we knew we needed to recapture this feeling while home here in Minnesota. It started with Chris turning our deck into a Tiki bar. Then came the renovation of our lake home's boat house into a Tiki bar. We asked ourselves, "What next? What else?" And with that The Tilted Tiki Tidbits & Cocktail Lounge was born.

We at The Tilted Tiki Tidbits & Cocktail Lounge strive to provide you with fun and relaxation in our tropical, vacation-like atmosphere. We are a

unique environment and we want you to relax with the feeling of being on vacation any day of the week, any time of year. We want you to unwind while reminiscing about your latest trip to the Florida Keys or favorite tropical island or dreaming about that vacation you hope to one day enjoy.

We will serve you our tropical drinks and small bites in the most friendly island oasis around. Our decor is reminiscent of the vintage Tiki bars from the 50's and 60's. Our back room is designed to provide you a Florida Keys feel and our Big Kahuna room is all Hawaii! We know you will enjoy the toe tapping, sing-a-long style beach music performed by local bands and musicians. And the games... can't forget to mention the games. We have a "help yourself" area for shaking dice, decks of cards, board games, etc. Just look in the Big Kahuna room and help yourself to some fun games to play while relaxing in our little slice of tiki heaven.

We are honored and grateful to have you as our guests and look forward to seeing you again. Mahalo & Aloha!
